No Power Launcher on Android 9 devices

ISSUE

Power Launcher does not exist on Android 9 device

PM90 does not have the Power Launcher

APPLIES TO

Point Mobile devices with Android 9 and above

(PM90, PM451, PM85 A9, PM45 A9, etc.)

ANSWER

Android 9 models does not support Power Launcher.

In order to use Kiosk mode, you should set up EmKiosk using Scan2Stage.

If the Power Launcher is installed in your Android 9 devices but it does not work correctly, please update the OS to the latest version.

After then, Power Launcher is not shown anymore.

If you don't know how to set up the EmKiosk using Scan2Stage, please refer to the article below. Click the button to move the article page.

[Setup EmKiosk using Scan2Stage]
